PRODUCT INFORMATION

Usage Directions:

Use once per month or more frequently as required.

- Empty all coffee from hopper.
- For small grinders, pour one level capful of Cafetto Grinder Clean into hopper. For larger grinders use two capfuls.
- Adjust grinder to medium setting and operate.
- Empty the grinder dosing chamber of Grinder Clean residue and brush out any dust.
- To season the grinder burrs, repeat the above process once with coffee beans.
- Reset the clean grinder.
- The grinder is now ready for use.

Please note: A small amount of dust may develop during grinding and is harmless. Wipe the dust particles from the hopper, spout and doser.

Always replace the lid securely on this container after using the product. Store in a dry place away from heat.

Certifications:
